

List of activities for Hooked on School Days!

Here are a few suggestions of activities to help encourage the efforts of kids young and old and to celebrate the many gestures, persons and initiatives that play a positive role in their success!

Proudly wear a **perseverance ribbon** or green clothing

Organize a Career Day to help youth discover different trades and professions

Share motivational messages on the student radio or in the school newspaper

Paper busy hallways with notes containing encouraging messages

Give a **heart shaped + card** to thank those who support and encourage you

Form an honor guard to welcome students and distribute a **perseverance pin** to everyone you greet

Organize a photo session of youth presenting their **+ for success** on a **+ card**.

Create a mural of **+ cards** identifying gestures, people and activities that make a difference in school success

Present **certificates of recognition** to students who demonstrate perseverance and staff members who encourage school success

Create a collective work of art about perseverance and success

Many **promotional tools** are at your disposal to help you add a Hooked on School Days touch to your activities! Your actions are a + in their success!
