

## Hooked on School Days - February 14-18, 2022!

Dear parents, **THANK YOU** for all the efforts you make to help your children learn and develop their full potential.

Join the **#HSD2022** campaign and take action to promote the efforts of young people as well as those of the adults who support them on their academic journey.

### Here are a few tools to inspire you!

#### The equation of success!

- Ask your child or teen to think about the different gestures and strategies that help them to persevere and succeed.
- Have them draw or write their answers in the boxes and hang their special equation on the fridge as an encouraging reminder!

#### Encouragement card

- Encourage the efforts of a young person or an adult who is either working hard to succeed or to help others succeed!
- Your kind words and support will make a big difference!

#### Certificate of recognition

- Whatever their age, everyone likes to have their hard work recognized! You can give this certificate to :
  - a determined and hard-working youth or adult
  - an adult who helps others develop their full potential (teacher, educator, employer, youth worker, etc.)

#### Heart shaped card

- For Valentine's Day, say **THANK YOU** to a person who helps your child succeed. Cut and fold the card into a heart. Ask your child or teen to write a message of thanks and to give it to a person who makes a difference in their academic success.
