

ACTIVITY IDEAS FOR EARLY CHILDHOOD AND PRESCHOOL

From **February 14 to 18, 2022**, join the **Hooked on School Days** campaign and take action to promote the efforts of young people as well as those of the adults who support them on their educational journey.

Use the suggestions below or let yourself be inspired by the many free tools and activity ideas available at rlpre.org!

SUPPORT THE CAMPAIGN

- Wear the **[perseverance ribbon](#)**
- Use the **[campaign visuals](#)** in your communications

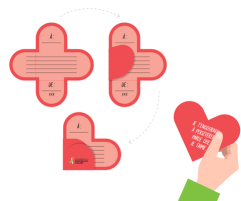

CELEBRATE EACH EFFORT

- Distribute a **[sticker](#)** to highlight a child's hard work or success.

- Help the **[perseverance tree](#)** grow!
Draw a tree trunk with branches on the board. For each effort or job well done, write the child's name on a leaf and invite them to stick it on the tree.

- Have each child cut and fold the paper into a **[heart shaped card](#)** that they will give to a grown up they love. On the back, write the name of the child as well as an activity they like to do with the identified adult.

- Applaud the efforts of a hard working colleague or a determined parent by giving them a personalized **[encouragement card](#)**.

ORGANIZE ACTIVITIES THAT ENCOURAGE PERSEVERANCE

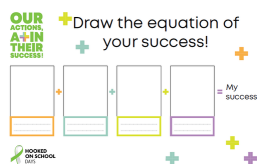

- Order the **"Our actions, a + in their success" placemat**, which illustrates various activities that support the academic success of little ones. Use it in your organization or give it away to the parents.

- Download our paper fortune teller game (**coin-coins**) to spark a discussion with the children about the people and activities that help them learn and grow. Feel free to come up with your own questions!

This tool is only available in French.

- Have the children draw their own **equation of success** by illustrating the people and activities that help them learn and feel good! Give the completed drawings to the parents.
- Ask the children to draw their favorite activity on the blank **+ cards**. Identify each drawing and display them in a visible area.

- During storytime, select a book about perseverance!
