ORGANIZE ACTIVITIES THAT ENCOURAGE PERSEVERANCE

- Greet the students in the morning with a perseverance themed treat!
- Visualization is a powerful motivational tool! Assembling a **vision board** is a creative and artistic activity that will help your students dream of their future, define their personal goals and add meaning to their perseverance.
- Plan a green shirt/outfit day!
- Help the **perseverance tree** grow! Draw a tree trunk with branches on the board. Ask each student to write a trick they use to stay motivated on a leaf and invite them to stick it on the tree.
- Hang up **inspiring quotes** in the classroom and hallways! You can find many more online. Use them to spark discussions about the quotes, the famous people they are attributed to, and perseverance related themes.
- Have your students work in teams to try to solve the **crossword puzzle**! Can they find all the perseverance related words?
- Ask the school staff to share messages of encouragement and inspiring quotes over the intercom throughout the week!
